Nation's Leader in Asian Appetizers

- Founded in 1986 in Houston, Texas by Dr. Jing-Yau "Gene" Chung, an innovator in recipes and food processing.
- Chung's has grown to be a leading manufacturer and marketer of egg rolls and Asian inspired appetizers in the United States. Using only the finest and freshest ingredients-and handcrafted, Chung's is dedicated to bringing the authentic Asian taste to every home in America.
- We focus on taste profile, unique spices, clean ingredient decks, and of course, our "famous sweet and sour sauce."
- Our products are focused on convenience and "eating occasions" and found in many channels, including serving our military globally.
- Demand for ethnic foods continues to grow, based on restaurant visits, foreign travel, an increasingly diverse population, and the popularity of cooking shows.
- Our pricing and promotional support model helps provide an amazing consumer value.
