Hello everyone,

The month of May is finally here, and with it comes the promise of warmer weather, longer days, and endless opportunities to indulge in one of our favorite treats - ice cream.

As we move into the heart of spring, the world around us is slowly coming back to life after a long and difficult winter. The sun is shining, flowers are blooming, and there's a sense of hope and renewal in the air. As we embrace all that May has to offer, let's take a moment to savor the simple pleasures in life - like a refreshing cone of ice cream on a sunny day.

We hope this month brings you joy, happiness, and plenty of opportunities to create new memories with the people who matter most.
